

On the Way to Har Sinai

Counting the Omer, inspired by Rabbi Sacks zt"l

Ramen

“Time is not a series of moments traced on the face of a watch, always moving yet always the same. Instead it is a journey with a starting point and a destination, or a story with a beginning, middle and end. Each moment has a meaning, which can only be grasped if we understand where we have come from and where we are going to. This is time not as it is in nature but as it is in history.”

Jonathan Sacks

The Rabbi Sacks Legacy Trust is delighted to present the 5781 Omer calendar. Each of the 49 days holds a life-changing idea by Rabbi Sacks zt"l, sourced from his *Covenant & Conversation* essays on the weekly parsha.

With thanks to Yoram Raanan for permission to use his painting entitled “On the Way to Har Sinai” on the front cover.

This is the Torah: the voice of heaven as it is heard on earth, the word that lights the world."
